Product Description

In recent times, there has been a growing discussion about the Bharatiya Knowledge System. However, many of us lack a deep understanding of its foundations, which is akin to achieving sustainability without acknowledging the importance of mother nature and the Earth. After Conduction three Years of research in this field, the author discovered that although people often mention the Bharatiya Knowledge System, most of us are not well-versed in the fundamental Knowledge and interpretation of the Sanskrit Literature of Ancient India. Therefore, it is crucial to first delve in to the foundations of the Bharatiya Knowledge System and subsequently explore its relevance in the modern scientific world. Just as a building or structure cannot be constructed without a solid foundation, acquiring a comprehensive understanding of the Bharatiya Knowledge System necessitates studying the Vedic Texts and Literature. Consequently, the author has divided this book into two volumes as Volume I: Foundations of Bharatiya Knowledge System which simply covers the foundations of the Bharatiya Knowledge System in a simple and easy-understandable language; Volume II: Bharatiya Knowledge System and Modern World which examines the scientific and modern theories found in the ancient texts. Salient Features of this book Include an Exploration of the: · Vedic Period of Bharat · The History of Sanskrit Literature · An Introduction to Rigveda, Yajurveda, Atharvaveda, Samaveda, Brahmanas, and Upanishads · Although there is an extensive treasure trove of Sanskrit Literature · This Book Focuses solely on the original Vedas, Brahmanas and Upanishads · Ancient Bharat's Seat of Learning · How the Western People got our Ancient Rishi's Wisdom and converted it to materialistic use · Why do we have to know our heritage which was neglected for many thousands of years by our own people? In the final chapters, there sections are dedicated to provide glimpses of our ancient
